

## Visiting a Church

Often visiting a new church is uncomfortable or awkward. If you are interested in visiting North County Community Church we'd love to meet you when you arrive at our visitor center, help your kids find their classes, show you the building, and introduce you to one of the pastors. If you'll be visiting, we'd love to know so we can meet you. Fill out our [\[visitor form link\]](#) and we'll be looking forward to meeting you.
