

What is Discipleship?

Discipleship is generally considered the process of maturing a Christian in their faith. Discipleship usually takes place in a mentoring relationship with a more mature believer. Some consider discipleship as a process that occurs by studying God's word, or reading books by great Christian thinkers. We know it is an important part of the God's great commission in Matthew 28:19, Jesus told us to make "disciples of all nations"!

If you are a new believer, or you don't feel like you've really understood the Bible (and how to study it) you should consider discipleship. If you are interested in this process (which includes learning how to be a mentor to others) contact bob@northccc.com.
